Even Swindon's Fortnightly Update

Friday 11th September 2026

Welcome to the New Academic Year

Dear Parents/Carers,

Welcome back to the new year – it has been lovely to see everyone coming into school ready to start the new academic year. The children are settling in well to their new classes, building relationships with teachers and learning their new routines. It has been lovely to see them catching up with friends as well as making new ones in class and at playtimes.

This term, our value is **Responsibility**. In school, we will be helping the children to understand what this means through class discussions, shared stories, modelling the right choices and giving them regular opportunities to take responsibility for their own actions, belongings and learning. We will also encourage children to show responsibility by listening carefully, following instructions and looking after one another.

Please can we remind everyone about school uniform. Children should come to school in smart uniform each day - it helps them feel included, ready to learn, and part of our school community. If children are wearing trainers to school these must be all black. As the weather is starting to turn, please make sure your child also has a coat for playtimes.

Important notice for all parents and carers: from Monday 14th September, children in Year 1 to Year 6 will be showing our values of responsibility, independence and courage by walking to their classrooms from the front playground. We ask that all adults say goodbye to their child and allow

them to walk around to their classroom. We do this for several reasons, and in past years this has worked really well. The children enjoy feeling grown up, and please be reassured that staff will support all children to ensure they get to class happily.

A further reminder that children should not be riding bikes or scooters on the school site in the mornings or at the end of the school day. Please ensure children dismount before entering the school site to help keep everyone safe. We appreciate your understanding and support with this.

We look forward to celebrating with you all this academic year and supporting your children to flourish and grow academically and socially.

Best Wishes
Rachael Smith

We are also a no-mobile-phone site, so please do not use your mobile phones on the school site. This includes when you come in for celebration assemblies and while you are waiting for the children to arrive in the assembly hall. Please put your phones away and use this as an opportunity to network with other parents. Our Year Leaders will be sharing information and messages before children arrive for assembly, and the dates for assemblies can be found on the school website calendar.

Our Vision: Believe, Achieve and Inspire

Our vision, **believe, achieve and inspire**, is at the heart of everything we do in our primary school. To **believe** means that every child is encouraged to believe in themselves, to feel valued and to know that they can succeed. In everyday life, this might look like children trying their best, asking questions, and having the confidence to keep going when learning feels tricky.

To **achieve** means working hard, making progress, and celebrating success in all forms. It is about learning new skills, building knowledge, and taking pride in each step forward.

To **inspire** means helping children and adults alike to enjoy learning, to be curious, and to support others. It also means setting a positive example through kindness, teamwork and respect. Together, these three words remind us how we want our school to feel every day: supportive, ambitious and full of hope.

School Banded Reading Books

We have noticed there is a shortage of banded books across the school and would be extremely grateful if you could check to see if there are any that your child has taken home with them over the summer break. For any banded books that you do find, which are currently not being read, please ensure they are returned to school as soon as possible and placed back in the correct box for that book's colour. We are currently very low on white, lime, brown and grey books so would really appreciate your efforts in helping us to replenish this particular stock as quickly as possible! Many thanks,
The Reading Team

Open Day - Commonweal School

We welcome you, your family, and friends to visit The Commonweal School on **Wednesday 16th September 2026**, between **6.00 and 8.00pm**, and experience our school in action.

Throughout the evening, you will have the chance to explore almost every area of the school, where students and staff will be showcasing the excellent learning, achievements, and opportunities across the school. We hope your visit will allow you to experience our vibrant school community and meet our students, teachers, and other staff.

Mr Drew, Headteacher will give presentations in the KDA Auditorium at 6pm, 6.45pm and 7.30pm. Booking is only required if you wish to attend one of these presentations.

The poster features the Commonweal School crest at the top left. Below it, the text reads: 'Year 5 and 6 students/parents/carers are invited to our annual Open Evening Wednesday 16th September 2026, 6pm - 8pm'. It lists presentations by Mr Drew at 6pm, 6:45pm, and 7:30pm. A QR code is prominently displayed in the center. At the bottom, it says 'Scan QR code to make a booking' and provides the website 'www.commonweal.co.uk', the address 'The Mall Old Town Swindon SN1 4JE', and the phone number 'Tel: 01793 612727'.

All are welcome to tour the school and to visit any rooms that are open. Teachers and students will be pleased to answer any questions you may have. The accompanying plans of the school should help you to find your way around, but if you are lost, do not hesitate to ask for help.

Mr Charles Drew, Headteacher, will give short presentations in the Sixth Form (JC) Auditorium at 6pm, 6:45pm and 7:30pm. To attend one of these presentations, due to space restrictions, you will have to book in to see him.

Young Voices 27' After School Club - STARTING IN SEPTEMBER

We are excited to announce that Even Swindon Primary School will be taking a limited number of children to sing as part of an 8000 strong choir, singing at Birmingham -Genting Arena.

We will be taking children on Friday 15th January 2027 to Birmingham. If you would like your child to take part in the choir this year, please discuss the following points with your child and then sign up to the After School Club on ParentPay.

This year we are limited to taking 21 children. If we have more than 21 children requesting to join choir, we can look at increasing numbers.

If children join the choir, they are agreeing to be committed to the following:

- Learning the words at home to all the songs.
- Show enthusiasm to all the songs and dances that we will be learning.
- HAVE FUN!!!

This is an amazing opportunity and parents are able to buy tickets to come along and watch their children perform in this spectacular show. Tickets this year will be about £24 per person – we will send out more information on how to purchase these in the Autumn Term. Other costs related to this opportunity are included in the price of the club. Your children will be travelling by coach and will receive a Young Voices T-shirt as part of the club price: £40 for Terms 1 and 2. Currently, we are unsure of costings for the coach and Young Voices T-shirt, but based on the costs from this year, we are expecting the £40 to be enough to cover this. If once we have had confirmation of costings, the cost is more than £40, we will be in touch to ask for the difference in cost.

Here is a glimpse of what you can expect from the Concert: <https://www.youtube.com/watch?v=fm8M5N5tDPk> <https://www.youtube.com/watch?v=KXzY0DOsJto>

We will transport your child to Birmingham on the day for early rehearsals and then back to school later that evening. The concert begins at 7pm and finishes at around 9pm. If all goes to plan, we should arrive back to school at around 11pm, where you will need to collect your child (regardless of whether you come to watch the concert or not).

This opportunity is only open to Years 4, 5 and 6 pupils.

This year, Young Voices are releasing the 2027 songs earlier than in previous years and so we should be able to share these with the children at the start of next term. Therefore, we would like to start rehearsing with the children next term before the summer holidays to get a heads start on learning the songs. We would also request that over the summer holidays, your child continues to

listen and learn some of the songs ahead of our choir rehearsals starting again in September. Once we have the links to share for the songs, we will send these out to you. We look forward to learning the new songs and sharing our passion for music with the children in choir rehearsals.

Attendance

If your child is unable to attend school due to illness, please ensure you advise us by email or leave a telephone message, on the first day of absence, providing the following information:

- Child's full name
- Class and year group
- Reason for absence, including details of symptoms

You should also advise us on each subsequent day of absence.

Please note that emails notifying the school of a pupil's absence will no longer receive a response or acknowledgement. If we require any further information we will contact you.

Thank you for your cooperation.

Top Tips for SUPPORTING CHILDREN'S RETURN TO ROUTINE

Returning to school after the holidays can be challenging for some children and young people, and both families and education settings can play an important role in helping them readjust. Consistent routines, clear expectations, and supportive communication can support children and young people's wellbeing, self-regulation, and academic success. These practical tips can help make the transition back to school feel more manageable.

1 START EARLY

Gradually reintroduce school-day sleep, meal, and wake-up routines around a week before term begins. In education settings, familiar routines and expectations can also be introduced from the start of term to help pupils settle back in. A gradual and predictable approach can make the transition feel less abrupt and give children and young people the time they need to readjust to the structure of school life.

2 REBUILD ROUTINES TOGETHER

Involve the children and young people in your care in the rebuilding of familiar routines at home and in education settings. Having a say in their daily schedule can increase predictability for them and give them a greater sense of control. This might include discussing morning routines at home or reviewing classroom timetables, expectations, and activities together at the beginning of the school day.

3 ENCOURAGE RESPONSIBILITY

Giving children and young people age-appropriate responsibilities can help foster their autonomy and engagement. For younger children at home, this might include getting dressed independently or checking their school bag. In education settings, children and young people could organise their learning materials, complete simple classroom tasks, or follow a familiar morning routine. These manageable responsibilities can help them feel more involved in the school day while developing useful skills.

4 RECONNECT WITH PEERS

Re-establishing friendships can help children and young people feel more confident and connected when they return to school. Families might arrange opportunities for their children to speak to or spend time with school friends, while educators can use group activities, 'buddy' systems, or collaborative tasks to help rebuild classroom connections.

5 SUPPORT HEALTHY NUTRITION

Regular, balanced meals, particularly at breakfast, are linked to improved concentration, behaviour, and academic outcomes. Families can gradually return to familiar school-day mealtimes, while education settings can reinforce healthy eating routines at the start of term and signpost breakfast provision where available. Consistent access to food can help support children and young people's energy levels and concentration throughout the day.

6 COMMUNICATE OPENLY

Talk to the children and young people in your care about how they feel about the return to school and give them the opportunity to share any worries or questions. Anxiety around going back to school, particularly when starting a new year group, can be common, and children and young people may benefit from your reassurance and support. Parents and educators can all help with this by listening calmly to concerns and questions, and sharing relevant information with one another where appropriate.

7 RECONNECT WITH LEARNING AND PEERS

Light educational activities before term begins can help children become familiar with learning routines again without creating any unnecessary pressure on them. In school, low-pressure recap activities and familiar tasks from the previous year group can serve a similar purpose during the first few days back. Keeping learning positive and achievable can help rebuild children's concentration, confidence, and academic motivation as they settle back into their usual routine.

8 PRIORITISE SLEEP

Ensure the children and young people in your care get age-appropriate sleep and begin returning to their usual bedtime habits before term starts. Reducing screen use before bedtime may also support better sleep quality. Educators can also be mindful that tiredness may temporarily affect children's concentration, behaviour, and emotional regulation as they readjust to school routines.

9 PREPARE AHEAD

Organising uniforms, bags, lunches, and other school essentials in advance can reduce unnecessary stress when school mornings begin again. Educators can also help by preparing pupils for any changes to classrooms, timetables, staff, or behaviour expectations. Giving children clear information about what to expect ahead of time can make the return feel more familiar and help build up their confidence and independence.

10 BE PATIENT AND FLEXIBLE

Children adjust to changes in their routines at different rates, so your patience and flexibility can be important during the first days and weeks back. Some may settle quickly, while others need longer to adapt to earlier mornings, classroom expectations, or busy schedules. Parents and educators can support children and young people's readjustment by maintaining consistent routines, all the while recognising that concentration, behaviour, or confidence may temporarily look different for them.

1 CLOSE EYES

Close eyes and have headphones with a calming frequency such as white noise can find these on YouTube or Spotify or use calming music.

2 BREATHING EXERCISES

STARFISH BREATHING

Spread all fingers wide and slowly trace up and down them whilst breathing in and out very slowly. Pause at each tip for 2 seconds then breathe out – repeat x 3–5.

OR

PRETEND THEY HAVE A PLATE OF COOKIES OR A CUP OF HOT CHOCOLATE –

take a long smell (breathe in through the nose) then blow them slowly to cool them down (breathe out through their mouth) gently.

3

GUIDED MEDITATION

Listen on YouTube or Spotify.

4 SENSORY PLAY

Gloop (cornflour and water), kinetic or regular sand, shaving foam, water beads (supervised).

5 WEIGHTED BLANKET

While listening to calming music or white/pink/brown noise research recommends binaural beats or 432hz – if you look both of these up on Spotify or YouTube you can find them on there – Or watch a light projector.

6 LIE ON A BLANKET

Watch the clouds, spot pictures you can make out of them or close your eyes (inside or out) and listen for 1 minute (shorter if needed) and see what you can hear.

7 CROSS THE MIDLINE

Massage the opposite earlobe with the opposite hand and pull the ear gently away from head, all the way from top to bottom.

Sit in a V position and touching opposite toes, tapping opposite shoulders with fingers.
